

Easter 2018  
The Resurrection Changes Everything  
Ted Cunningham

1. This Easter Sunday fell on April Fools Day. Did anyone play an April Fool's Day joke on you Sunday? What's the craziest one you ever fell for?

2. Ted talked about the Easter Song "He's Alive." Did you know or can you list the songs in the medley of Easter songs the quartet sang? What is your favorite Easter song?

3. What is it about the celebration of the death and resurrection of Jesus that moves you most?

4. Paul prays in Philippians 3:10 that we will "know Christ and the power of his resurrection." Why is there no doubt Paul knew "the power of Christ's resurrection"?

5. Read Ephesians 1:18-20 and list the three things Paul prays for the church. **(That we will be enlightened to know the hope to which he has called us, the riches of his glorious inheritance, and the incomparably great power for us.)**

\*What hopes do you have?

\*What are the riches of his glorious inheritance that Paul wants us to know?

\*What is the power available to us like? **(It is the same "as the mighty strength (God) exerted when he raised Christ from the dead and seated him at his right hand in the heavenly realms.")**

\*What have you trusted him to help you do knowing resurrection power is available to you?

\*What do you want to do that will require resurrection power?

\*Why do so many Christians seem to live without that power?

6. How has the power of God changed the life of someone you know?

7. Which of the three words Ted used describes your faith: shaky, seasonal, steady? Is there another word that describes it better?

8. Why is repentance difficult?

9. How did you feel when you were baptized? How do you feel when you watch others being baptized?

10. What do you want most for God to do in or for you during this season of your life?
