Ted Cunningham and Travis Brawner

Rooted In the Ozarks

1. God's heart for us, for His people, is to be rooted in three things, what are they?
2. What brought you to Branson?
3. What are you to do while you are here in Branson?
4. Read Psalms 1:1-3 It talks about being like a tree. What do tree roots provide to a tree? So how does this apply to us?
5. Read Romans 12:15. Discuss how technology affects your life today, your ability to connect with others. Should you make changes in the way you use technology or the amount of technology you use?
6. What are some ways we are insensitive to the culture here in Branson?
7. Our Children are living messengers to a generation we will not see. Are we preparing our children to be those messengers?
8. Read Jeremiah 29:7 what are we to seek?
9. Ted talked about the difference between miners and farmers – which should we strive to be like? what are we to achieve?
10. Ted ended with a comment – You cannot expect your children to prioritize what you marginalize. Think about and discuss what you prioritize and how this will impact your children and the next generation.
