Share about a time when your faith helped you get through a difficult season.

Read Hebrews 10:35-36.

What does faith have to offer us in the midst of hardship and trials?

Read Hebrews 12:1-3

How does fixing your eyes on Jesus help you endure when things are hard? What are some things that help you shift your focus?

Shay talked about losing the weight that unnecessarily burdens us. What is distracting you or unnecessarily weighing you down?

What sin do you need to take ownership of and confess to God and others in an act of repentance? Why are we so tempted to carry the baggage of sin instead of dealing with it?

Read Romans 5:1-5

What is the JOY set before us?

Wrap up your time by thinking through a list of the rewards we get in heaven (and on earth!) when we remain faithful to follow Christ. Thank God for providing all we need to run the race well and for the wonderful rewards waiting for us at the “finish line”.
