## Change is Imminent So Be Adaptable January 3, 2021

Do you like change or is change hard for you?

### **Read Ecclesiastes 3:1-8**

Travis reminded us that adaptability makes for sustainability. What is an area of your life that you feel like you have adapted fairly well? Is there an area where you are struggling?

### **Read Luke 8:22-25**

Jesus asked the disciples "Where is your faith?" Share a time when your faith in the Lord was evident through a difficult time? How did that attitude change the experience of "the storm" for you and for those around you?

### **Read Proverbs 3:5-6 and James 4:13-15**

How do you determine the will of God? (Scripture, prayer, ask for wisdom and seek wise counsel) Give specific examples if you can.

Being in the will of God does not mean that things will be easy. Travis reminded us that if our motivation is to glorify God, He won't let you mess up anything that He can't fix. Does fear make it hard for you to follow the will of God? What do you do when fear creeps in?

End your time by praying for God's will for each of you in the upcoming year. Don't forget to thank God for the lessons and ways He has been providing along the way.
