What is one piece of advice you would share with someone younger than yourself, especially as it relates to current events?

Adam talked about the Stockdale Paradox and how we can look so forward to a crisis being over that we lose hope when that conclusion doesn't come when or how we expect it.

Are there areas of life that you are seeing this effect?

What happens when we get too focused on life beyond the current difficulty?

Read Ephesians 5:15-17

As you reflect on the 86,400 seconds you have each day, where do you have the greatest impact for the Kingdom?

Are there things you could do to utilize your time better?

Are there distractions that you need to eliminate to make the most of your time and relationships?

Read Ecclesiastes 9:7-9 and Matthew 6:34

What advise can we glean from these scriptures about how we live our lives?

When you think about the future, what are your greatest concerns and fears?

Adam showed us a picture of a sheep being anointed with oil. The oil would keep pests from causing the sheep to harm itself when irritated. Where do you need to allow God to anoint (protect) you this year?

Kronos=Time and Kairos=Moments

As you finish your time, think of ways you can make the most of both. Pray that God would help you live your life to the fullest as you go through the coming week.
