**Praying for Our President
January 17, 2021**

Ted acknowledged that feelings are all over the place in our nation right now. How are you feeling?

Ted said that our young people are exhausted with the tone they hear coming from older Christians right now. He said, "We are saying the right things but in the wrong way. This makes our children easy pray for people saying the wrong things in the right way". Do you agree? How do we stand firm in our beliefs and share truth in a way that calls people to righteousness....especially young people ?

Read Matthew 16:18

This verse reminds us that God is sovereign over all the nations. Nothing the government or big tech does will bring down the church. How does understanding this change our personal perspective on what's happening all around us?

How does this truth influence our response to the world right now?

Read 1 Timothy 2:1-6

Talk through some practical things this verse says that challenges us to live a life pleasing to God.

God wants all people to be saved. Are you equipped and ready to share the Gospel? What steps do you need to take to be ready?

As a group, take some time now to pray for our country and its leaders. Ask God for wisdom in how you share the truth of His Word and specifically pray for someone who needs to hear the Good News.
