Read 1 Timothy 4:12

The golden thread of the series is “maturity”. Are you growing in speech, conduct, love, faith, and purity? What is the evidence of someone who is growing in love?

1st John 3:1-2

The Greek language has four words for love. Describe each type of love, looking carefully at the differences between each. What role does each play in our lives, especially as it applies to our spiritual growth?

- Affection (storge)
- Friendship (philia)
- Romantic (eros)
- Charity (agape)

What were the 4 Ps Shay used to describe God’s love? [Pristine, proper, powerful and perpetual] What are the specific attributes of God’s love represented in each of these?

Read 1 John 2:4-6

What are the EOFs (evidences of faith) that we “walk in the same manner as He walked”? Can we show the same 4P's discussed above in our love? How?

Read John 21:24-25

As you think about your own legacy, answer the following questions:

- Who are your witnesses?
- What would they write?
- What would be the major themes of your story?
- If the story is not what it should be, what steps do you plan to take to change the script?

End your time praying that you would have a deep and clear understanding of God’s love for you and that you would seek to be an example of that love to others.
