I was a wretch

I remember who I was

I was lost, I was blind

I was running out of time

Sin separated

The breach was far too wide

But from the far side of the chasm

You held me in your sight

So You made a way
Across the great divide
Left behind Heaven's throne
To build it here inside
And there at the cross
You paid the debt I owed
Broke my chains, freed my soul
For the first time I had hope
Thank you Jesus for the blood applied
Thank you Jesus, it has washed me white
Thank you Jesus, You have saved my life
Brought me from the darkness into glorious light
You took my place
Laid inside my tomb of sin
You were buried for three days
But then You walked right out again
And now death has no sting

And life has no end

For I have been transformed

By the blood of the lamb

Thank You Jesus for the blood applied (thank You Jesus)

Thank You Jesus, it has washed me white

Thank You Jesus, You have saved my life

Brought me from the darkness into glorious light

There is nothing stronger

Than the wonder working power of the blood

The blood

That calls us sons and daughters

We are ransomed by our Father

Through the blood

The blood

There is nothing stronger

Of the wonder working power of the blood

The blood

That calls us sons and daughters

We are ransomed by the Father

Through the blood

The blood

Thank You Jesus for the blood applied

Thank You Jesus, it have washed me white

Thank You Jesus, You have saved my life

Brought me from the darkness into glorious light

Glory to His name

Glory to His name

There to my heart was the blood applied

Glory to His name
