

WHEN WE GO
July 16, 2023

Share a personal mission experience. What were some of the big lessons you took away from that experience?

At WHFC we seek to balance local, national and international missions. Why is this important?

Read Matthew 25:37-40 and James 1:27

Travis talked about some of the ways people can experience poverty beyond financial need. What other ways can people exhibit need?

As a church it can seem like spiritual poverty is our main priority. Why do physical and emotional needs also need to be a part of our ministry to marginalized people?

Read Matthew 28:19

Identify the five purposes of the church as expressed in the Great Commission. How do these purposes apply to our strategy of missions? How can we accomplish these purposes in practical ways?

Read 1 Corinthians 12:12-20

This scripture reminds us that we all have different purposes in the body of Christ. What are some of the various gifts and abilities that can be applied to missions? How has God used you specifically to minister through missions?

Read Luke 18:17

Spend your remaining time praying that you would have childlike faith to follow where God would lead. Ask God to show you where you could be a part of what he is doing locally, nationally and internationally. If you feel a burden to respond in a specific way, share that with someone.
