Getting To Know You *Curiosity, Differences and Safety* **November 12, 2023**

Read Song of Solomon 2:14-17

If you are married, share the story of your pursuit of your spouse.

Have you tried doing an honor list for your significant other? What has been the result?

How would you describe the difference between courting and dating? What are the pros and cons of each?

We tend to appreciate someone's unique gifts in dating and then find their weaknesses in marriage. Have you seen this to be true? How do you guard against this tendency?

Reread Song of Solomon 2:15

Adam gave us a list of red flags in dating. What are some red flags you would encourage someone who is dating to watch for in their relationship?

How do you gauge whether conflict is healthy or unhealthy in a relationship? What can you share with someone trying to learn to do conflict well in a relationship?

Adam said, "One sinner plus one sinner does not equal less sin." Why is understanding this concept important as you move into a relationship and ultimately into a marriage?

End your time together praying for people in various stages of relationships.....Asking God to guide and bless them and for them to listen and obey His Word. Also pray that you would be intentional about investing in other couples in a way that honors God.
