

God With Us – Part 1 December 3, 2023

Read Matthew 1:18-25

- What a wonderful gift it is to know that God is with us. How does knowing this truth give you hope for what is happening in your life right now? How does it give you hope for the unknown that is to come?
- How can you use this hope to minister to those in your life who you know need salvation? How can you minister to those who just need love and support in this season of life?
- How does knowing God is with you from birth to death shape how you live? How does it shape your feelings about death?
