Is there someone in your life that has encouraged you to follow Jesus wholeheartedly? What are some specific ways your life is different because of their encouragement?

What are some of the things you had to walk away from to follow Christ? Do you have any regrets about this decision?

**Read 2 Peter 1:1**

Throughout the Bible we see instances of someone's name being changed. Adam reminded us that Simon, Peter and Cephas were all names for the same person. Why do you think God placed such importance on names? Why are we so quick to define ourselves by what we do?

Peter was quick to ask questions (Matthew 15:15 18:21, Luke 12:41 John 21:20-22). What value does curiosity bring to your walk with the Lord? Is there something specific you are discovering about the Lord right now? What questions are you asking Him?

**Read Matthew 16:13-20**

Why is Simon Peter's identification of Jesus so profound? Why would Jesus tell the disciples to not tell others who He is? If you were asked, "Who do you say Jesus is?" what would you say?

**Read Matthew 14:27-30**

Share about a time when you stepped out in faith. How did God respond?

In this story, Peter sank when he took his eyes off Jesus...Is there something that is distracting you from responding to God's invitation to join Him in some way?

**Read John 6:7-10**

What part did Andrew have in this miracle? How have you seen God provide in miraculous ways in your life?

**Matthew 4:18-22 and Luke 5:1-11**

On a scale from 1-10, how good are you at being the person that spurs another on? Is there someone in your life that could benefit (spiritually or otherwise) from your investment in them?
